Patient Communication & Financial Policies

The following are internal policies set in place by Forefront Dermatology, S.C. and its affiliated practices ("Forefront"). Signature is required before services can be provided.

Patient Communications: In Forefront's discretion, information of a confidential nature may be left on your voicemail or answering machine at the preferred number(s) you have provided to Forefront or with a friend or family member who answers the telephone at one of the preferred numbers or at your residence and who can verify your address and date of birth. Such message may include, without limitation, reminders of upcoming scheduled appointments, information regarding your pathology or laboratory tests, billing information, or answers to medical questions you may have inquired about to our staff. Forefront may also communicate with you via e-mail, text message, or post card to your home address provided such method complies with applicable HIPAA communication standards.

Research: I authorize Forefront to contact me regarding any research study in which I may be eligible to participate relating to my care.

Insurance Filing: As a courtesy we will bill your insurance company for charges incurred at our clinic. Please remember your health insurance is a contract between you and your insurance company. Our office will make two attempts to settle any outstanding bill with your insurance company. If your insurance deems a service to be not covered by your insurance plan you agree to be responsible for the balance of this service. Claims not paid by your insurance carrier within 90 days will be considered a non-covered service. We will furnish information required by the insurance company to receive payment. Benefits should be paid directly to the Practice from your insurance company. If your insurance company reimburses you directly for any outstanding amounts due to us, payment will be expected by us within 10 days. I hereby assign to Forefront all my rights and claims for reimbursement under my health insurance policy. I agree to provide information as needed to establish my eligibility for such benefits.

Bad Debt Account Status: I realize that if my account is in bad debt I will be required to pay a **down payment** of \$150.00 prior to my scheduled appointment. In the event that this down payment exceeds the visit cost, the overpayment will first be applied towards any outstanding balance or bad debt balance and any remaining balance will be refunded to you. I realize that if my account is sent to collections, Forefront may also elect to dismiss me as a patient from the practice. If I pay off my bad debt account, my account will be returned to good standing status and I will not be required to make a down payment on future visits unless I am placed into collections again in the future. This provision does not apply to patients who currently have Medicaid health insurance coverage or to patients who are currently under bankruptcy or any other insolvency protection.

Financial Responsibility: A \$35.00 charge will be added for any non-sufficient funds notice from the bank. I understand and agree that I will be responsible for all legal fees and other costs of collection if my account is turned over to an attorney or agency for collection in which case your visit/s with our office may become a matter of public record.

Medicaid Affidavit:

ALL patients must answer →

At this time I, _____ represent and warrant that I

(Print Your Name)

(DO) or ***(DO NOT)*** have ***Medicaid coverage.***

(Circle One - if unmarked, default is a representation that you do not have Medicaid currently. If you are completing this form on a system where you cannot circle one, please inform the staff immediately if you have Medicaid health insurance coverage)

If we find at a later time that you did not provide accurate information above, you will be responsible for the balance of the charges incurred. It is your responsibility to inform our office if you acquire any type of Medicaid coverage at a later time. If you don't provide the updated information to our office you may be responsible for the balance of your bill. Not all locations and providers participate in Medicaid programs. The patient will be responsible for the full amount of services provided when this circumstance is applicable.

Non-insured Patients: Non-insured patients will be charged a **down payment** prior to seeing a provider on the date of service. This is not considered payment in full. The down payments are as follows:

- New patient Office Visit: \$178
- Established Patient Office Visit: \$150
- Excision Visit: \$800
- MOHS Visit: \$1,000

Final charges will be determined after the provider sees the patient and a complete assessment is made. The provider may require payment in full for procedural services prior to rendering such a service. If the balance is paid in full within two weeks from the date of the statement, a 20% discount for cash/check or a 15% discount for credit card will apply. ***This discount does not apply to Cosmetic procedures and injectables.***

Co-payments, Co-insurance, Deductible, & Cosmetic Procedures: Payment is due on the date of service prior to seeing the provider. Deductible amounts may be collected prior to the provider completing the service. Payment for a cosmetic procedure is due in full prior to treatment. There are no returns on cosmetic products sold unless such products are defective or, in the opinion of your provider, caused an adverse reaction.

Procedure Pricing

I understand that procedure estimates are only provided in writing. Written estimates must be requested prior to the appointment.

Your Health Care Information - Protecting Your Privacy

It is your right as a patient to be informed of the privacy practices of your health care provider as well as your privacy rights with respect to your personal health information. This Notice of Privacy Practices (the "Notice") is intended to provide you with this information.

Forefront Dermatology Responsibilities

It is your right as a patient to be informed of Forefront Dermatology's legal duties with respect to protection of the privacy of your protected health information ("PHI").

Forefront Dermatology is required to:

- ☐ Maintain the privacy of your health information;
- ☐ Provide you with a notice of the legal duties and privacy practices regarding PHI collected and maintained about you;
- ☐ Notify you if you are affected by a breach of unsecured PHI; and
- ☐ Abide by the terms of this notice.

Forefront Dermatology reserves the right to change our privacy practices and update this Notice accordingly. We reserve the right to make the revised or changed Notice effective for PHI we already have about you as well as any PHI we receive in the future.

Forefront Dermatology will not use or disclose your PHI without your authorization, except as described in this notice.

Your Rights Regarding Your PHI

NOTE: *All written requests must be made in writing to the Forefront Dermatology Privacy Officer at the address below.*

You have the right to:

- ☐ **Request a restriction on certain uses and disclosures of your PHI.**

You have the right to request restrictions on certain uses and disclosures of your PHI. Requests for restrictions must be in writing, as specified above. You must advise Forefront Dermatology: (1) what information you want to limit; (2) whether you want to limit Forefront Dermatology's internal use, disclosure to third parties, or both; and (3) to whom you want the limit(s) to apply. We are not required to agree to your request, except when you request that we restrict disclosure of your PHI to a health plan for a health care item or service for which you have paid out-of-pocket in full and the disclosure is for the purpose of carrying out payment or health care operations, and not otherwise required by law.

☐ **Receive Confidential Communications.**

You have the right to request that Forefront Dermatology communicate your PHI to you by alternative means or at alternative locations. We will use our best efforts to accommodate reasonable requests. For example, you may request to be contacted at a phone number that is different from the phone number listed in your health care record.

☐ **Inspect and obtain a copy of your health record.**

You have the right to inspect and obtain a copy of your health care record. This request for access to your health care record must be submitted in writing, as specified above. This right may not apply to certain types of psychotherapy notes. Forefront Dermatology may charge you a reasonable fee for a copy of your health care record.

We will inform you if we cannot fulfill your request, and you can ask us to reconsider the denial by contacting our Privacy Officer at the address below. Depending upon why the denial was made, we may ask a licensed health care professional to review your request and the denial.

☐ **Amend your health record.**

If you believe that any PHI in your records is incorrect or incomplete, you may submit a written request (as specified above) to correct the information in your records. We may deny your request if you ask us to amend PHI that is: (i) accurate and complete; (ii) not created by Forefront Dermatology; (iii) not part of the PHI kept by or for Forefront Dermatology; or (iv) not PHI that you would be permitted to inspect and copy. If we deny your request, you can ask us, in writing, to review that denial.

☐ **Obtain an accounting of disclosures of your PHI.**

You have the right to an "accounting of disclosures," which is a list of disclosures of your PHI that we have made to outside parties, except for: (i) those necessary to carry out treatment, payment and healthcare operations; (ii) disclosures made before April 14, 2003; (iii) disclosures made to you; (iv) disclosures you authorized; and (v) certain other disclosures. You may receive one accounting per year at no charge; we may charge you a reasonable fee for each subsequent request.

Your request for an accounting of disclosures must be in writing, as specified above, and must state a time period that may not be longer than six years prior to the date the accounting was requested.

☐ **Obtain a paper copy of the notice upon request.**

You have the right to obtain a paper copy of the notice upon request. For example, if you received the notice electronically, you may request that Forefront Dermatology provide a paper copy of the notice.

How We May Use and Disclose Your PHI

☐ **For Treatment.** Forefront Dermatology may use or disclose your PHI in the provision, coordination or management of your health care.

Example: Physicians involved in your care will need PHI relating to your history, symptoms, disease and prognosis in order to coordinate care for you.

Example: Forefront Dermatology may use your PHI to provide you with an appointment reminder.

Example: Forefront Dermatology may send you information about treatment alternatives or other health related services that may be of interest to you.

☐ **For Payment.** Forefront Dermatology may use or disclose your PHI to obtain reimbursement for the provision of health care services. The bill may include information that identifies you, your diagnosis and your treatment.

Example: Forefront Dermatology may use or disclose your information to your insurer to obtain payment for the provision of health care services, or to obtain prior authorization for the service.

- ☐ **For Health Care Operations.** Forefront Dermatology may use or disclose your PHI for our health care operations.

Example: Forefront Dermatology may use your PHI to assess the care and outcomes in your case or to, as a whole, improve the quality and effectiveness of the health care we provide.

- **To Business Associates.** Forefront Dermatology may disclose your PHI to “business associates” who provide services to or on behalf of Forefront Dermatology.
- ☐ **Communication with Individuals Involved in Your Care.** Unless you tell us otherwise, we may share your PHI with friends, family members or others you have identified or who are involved in your care. We may share your PHI with disaster relief organizations so that your family, friends or others you have identified can be notified of your location and condition in case of disaster or other emergency.
- ☐ **Research:** Under certain circumstances, Forefront Dermatology may use or disclose your PHI for research purposes. Under certain circumstances, we may share your PHI for research purposes without your written permission. All research projects are, however, subject to a special approval process. Most research projects will require your specific permission if a researcher will have access to information that identifies you.
- ☐ **As Required by Law:** Forefront Dermatology will disclose your PHI where required by law. For example, federal law may require your PHI to be released to an appropriate health oversight agency, public health authority or attorney.
- **Workers compensation:** Forefront Dermatology may disclose PHI to the extent authorized by and to the extent necessary to comply with laws relating to workers’ compensation or other similar programs that provide benefits for work-related injuries or illness.
- ☐ **Public Health:** We may disclose your PHI for public health activities. For example, Forefront Dermatology may disclose your protected PHI to State agencies for the purpose of statutory reporting.
- ☐ **Health Oversight Activities:** We may share your PHI with a health oversight agency for audits, investigations, inspections and licensure necessary for the government to monitor the health care system and government programs.
- ☐ **Public Safety:** We may use and disclose your PHI when necessary to prevent a serious threat to your health and safety, or the health and safety of the public or another person.
- ☐ **Victims of abuse, neglect or domestic violence:** Forefront Dermatology may disclose PHI if Forefront Dermatology reasonably believes that an individual is a victim of child or elderly abuse.
- ☐ **Judicial and Administrative Proceedings:** Forefront Dermatology may disclose your PHI in response to a court or administrative order, a subpoena, a warrant, a discovery request or other lawful due process.

- ❑ **Law enforcement:** Forefront Dermatology may disclose your PHI for law enforcement purposes as authorized or required by law or other lawful due process. For example, we may be required by law to report certain types of wounds or other physical injuries.
- ❑ **Coroner or Medical Examiner:** Forefront Dermatology may release PHI to a coroner or medical examiner. This may be necessary to identify a deceased person or to determine the cause of death. We may also release your PHI to a funeral director, as necessary, to carry out his/her duties.
- ❑ **For cadaveric organ, eye or tissue donation purposes:** We may release your PHI to organizations that handle organ, eye or tissue donation and transplantation.
- ❑ **Specialized Government Functions:** If you are a member of the armed forces, we may share your PHI with the military for military command purposes. We may also release PHI about foreign military personnel to the appropriate foreign military authority.
- ❑ **Correctional Institution:** Should you be an inmate of a correctional institution, Forefront Dermatology may disclose to limited staff of the institution or agents thereof PHI necessary for your health and the health and safety of other individuals.

Other Uses and Disclosures of Your PHI

We may use or disclose your PHI as described above without your authorization. Other uses and disclosures of PHI not described in this Notice will be made only with your authorization. We will obtain your written authorization for: (i) most uses and disclosures of psychotherapy notes; (ii) most uses and disclosures of PHI for marketing purposes, as defined by HIPAA; and (iii) disclosures that constitute a sale of PHI, as defined by HIPAA. If you give us authorization to use or disclose your PHI, then you may revoke that authorization, in writing, at any time. Your revocation will be effective upon receipt, but will not be effective to the extent that Forefront Dermatology or others have acted in reliance upon the authorization.

Office Policy

Welcome! We look forward to seeing you for your appointment. Enclosed you will find information forms that we would like you to complete prior to your first visit. Please mail them back to use or bring them with you for your appointment. Your clear understanding of our office policy is important.

Your First Visit

Please bring your insurance card on your first visit so that it may be copied for your file. It is a good idea to bring your card to every appointment. If your insurance ever changes, it is especially important to let us know and bring your new card. Please arrive 15 minutes before your first appointment so that all paperwork can be completed.

Contracted HMO and PPO Plans

If our physicians are covered providers in your PPO or HMO plan, any co-pay or deductible is due at the time of service. The balance of your bill will be billed to your insurance, if your HMO requires a referral form from your primary physician; it is your responsibility to have this by the day of your visit. If an appropriate referral is not provided, we cannot bill your insurance and you will be fully responsible for the bill at the time of service.

Non-contracted Insurance and Self-Pay Patients

If our physicians are not contracted with your insurance plan or you do not have health insurance, full payment is due at the time of service. We will provide you with a receipt in which you may use to file the insurance claim yourself.

Medicare

Our physicians are Medicare Providers and we do accept assignment on covered services. All Medicare patients are responsible for their 20% co-insurance and annual deductible and these are due at the time of service.

Non-Covered Services

Cosmetic procedures and other medically unnecessary services will not be billed to your insurance and are the patient's responsibility for payment in full at time of service.

Minor Patients

All minor patients (less than 18 years of age) must be accompanied by their parent, grandparent, or legal guardian on their first visit. If under the age of 16, the patient may only be seen with a parent, legal guardian, or grandparent present. Surgical or laser procedures as well as any Accutane related visits must have a legal guardian present if the patient is under the age of 18.

Payments

Payments may be made by cash, check, Visa, MasterCard, or Care Credit. Payments greater than \$200 will not be accepted in cash. A cashier's check or money order will be accepted in lieu of cash.

Missed Appointments

If you are unable to keep your appointment please notify our office at least 24 hours in advance. Failure to provide 24 hours notice will result in a no-show charge and will be collected to the extent permitted by law. The no-show fee is \$50 for a Monday-Friday regular medical visit and 50% of the anticipated cost of scheduled surgical or cosmetic procedures. A Saturday no-show fee is \$100. Cosmetic services require a 48-hour notice of cancellation. The no-show fee is \$99 for a cosmetic consultation. No-show charges are not billable to your insurance.

Scheduling

Patients are not always called in order of arrival due to the fact that appointments may be with any one of our providers, nurse, or the clinical staff. We make every effort for you to be seen at your scheduled time; however, unforeseen emergencies or complicated or unusually ill patients may cause us to run behind. Please be understanding in that someday your emergency or illness may affect others.

Children

Please do not leave children under the age of twelve unattended in the waiting room

What is a Patient Portal?

A patient portal is a secure online website that gives you convenient 24-hour access to your personal health information and medical records—called an Electronic Health Record or EHR—from anywhere with an Internet connection.

Why is a Patient Portal Important?

Accessing your personal medical records through a patient portal can help you be more actively involved in your own health care. Accessing your family members' health information can help you take care of them more easily. Also, patient portals offer self-service options that can eliminate phone tag with your doctor.

What if I don't receive a registration email?

Be patient. The emails may take a few minutes to deliver. You may also check your junk mail or spam folders to see if the email was routed there by mistake. If necessary, you can call the office to re-send the registration email. Also, failure to register your portal account within three days will inactivate your registration. If this happens, please contact the office to send you a new registration.

Is my Information Safe?

Yes. Patient portals have privacy and security safeguards in place to protect your health information. Always remember to protect your user name and password from others and make sure to only log on to the patient portal from a personal or secure computer.
